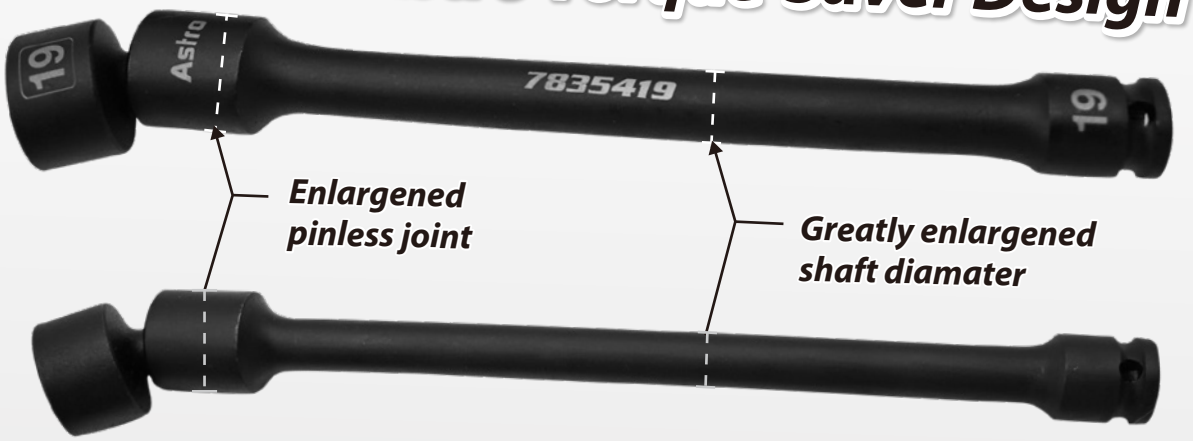
Astro

Model No. **78354**

10PC 3/8" DRIVE PINLESS UNIVERSAL TORQUE-SAVER IMPACT EXTENSION SOCKET SET - METRIC

Astro Torque-Saver Design



+30% TORQUE over other universal extensions

Enjoy up to 30% more torque when used at max angle and 20% more when used in-line compared to other similar length universal extension sockets

- **No-skip set from 10mm to 19mm, 9" long 3/8" drive 6-point pinless impact universal extension sockets**
- **New TORQUE-SAVER extensions take advantage of a shaft design used only by Astro to minimize torque loss**
