BEFORE USE

When unpacking, check the parts diagram and part number listing on page 2 to make sure all parts are included. If any parts are missing or damaged, please call your distributor.

DO NOT DISCARD – GIVE TO USER

Astro Pneumatic Tool Company

www.astrotools.com

1 YEAR LIMITED WARRANTY

- Astro Pneumatic Tool Co. warrants our products to the original user against defective material or workmanship for a period of 1 year (except where noted on our price schedule) from the date of 1st use. Astro reserves the right to determine whether the product failed because of defective material, workmanship or other causes and to charge back for missing parts. Astro Pneumatic Tool Co., at its discretion, will repair products covered under this warranty free of charge. The distributor should direct the original user to return the product (with the exceptions listed below) with the distributor's name, address, adequate proof of date of purchase or a copy of warranty card, and a short note explaining the problem. **Failures caused by accident, alteration, or misuse are not covered by this warranty.**
- If one part of this product fails, please do not return the entire product. Astro will replace free of charge component parts of this product that fail within 1 year of first use by the original user. Items included in this category include but are not limited to kits, hand tool kits and any other product where there are multiple items or components that make up the unit. Please contact the phone number below in order to obtain the replacement components covered under warranty.
- Astro Pneumatic Tool Co. or its authorized service representatives must perform all warranty repairs. Any repair to the product by unauthorized service representatives voids this warranty. The rights under this warranty are limited to the original user and may not be transferred to subsequent owners.
- This warranty is in lieu of all other warranties, expressed or implied, including warranties of merchantability and fitness for a particular purpose. Some states do not allow the exclusion of limitations of incidental or consequential damages so the above limitations may not apply to you.

PLEASE DO NOT RETURN ANY PRODUCT WITHOUT CALLING
1-800-221-9705 FOR INSTRUCTIONS

- Adjustable dimming feature, press and hold power button to lower or raise light output
- Features a 180° folding design, 150 lumen top light, base magnet, dual handle magnets, base hook and charge level indicator lights

Model:

52SL

Product Type:

500x2 LUMEN WIRELESSLY RECHARGEABLE FOLDING DOUBLE-SIDED LED SLIM LIGHT

Specification:

Charging voltage/Current:	5V 2A
Battery specification:	3.7V 4400mAh Li-ion
Charging time via type-C:	~ 4hrs
Charging time via charging pad:	~ 6.5hrs
Operation time for main light:	~ 3.25 - 8hrs
Operation time for top light:	~ 8hrs
Main lights output:	100 - 1000 lumen
Brightness for top light:	150 lumen
Color temperature:	5500 - 6500K

DIMMING FUNCTION

Both main lights have an adjustable dimming function. Press and hold the power button or the dual power button to initiate the light's dimming. Release the button when the desired light level is reached. The light will blink once when the lower or upper limit is reached. Lower light levels will increase battery life.

BATTERY TREATMENT/CHARGING

- Charge the battery for at least 8 hours before first use
- Green indicator on light flashing: charging
- All green indicators lighting up on light means charging complete
- Do not leave battery in full discharged condition
- Recharge the work light at least once in every 30 days

WARNING

- Wear safety goggles (User and bystander)
- Avoid looking directly into the beam
- Do not use the light near open flames
- Do not cover the lens during the operating to prevent against overheating
- Do not contaminate the lens with organic solvents
- Take care to position the light and stand in a careful manner, to ensure the light is properly supported by the stand
